Dedication

Mr. LeRoy C. Trostle

It has been the practice of many previous Echo staffs to pay homage to the dual dedication, one man and one woman. As you may well perceive we have deviated from the norm. Our purpose in this deviation is emphasis. It is an emphasis, we feel, well deserved.

Mr. Trostle has for the past three years worked with Mrs. Morrow in the guidance office and in this position he has had a marked influence on our adolescent development during our sophomore, junior, and senior years. Through his emphasis on college preparation many of us who would otherwise have either bypassed the thought entirely or would have found ourselves unprepared had we taken the tempting path of least resistance instead of the often difficult but eventually more rewarding academic course will be going on to higher plateaus of education.

Prior to assuming the position of guidance counselor, Mr. Trostle taught sophomore English for a number of years. He has also been active in the supervised playground program during the summer months.

In addition to his many duties as guidance counselor Mr. Trostle held the often thankless position of Yearbook advisor from 1958 to 1961, a position that has made many demands on his personal time. Even though he has now turned over the responsibilities to Mr. Zimmerman, this year's advisor, he has contributed much to this issue in terms of advice, occasional criticism, and constant co-operation.

Administration

We, the graduating class of 1962 wish to sincerely thank you, the administration, for the many subjects you have taught us. We were very "green" when we first entered our four years of high school, but you, the administration, labored with us until we have secured the position of a graduate. The experiences to which you have subjected us to will enable us to face the everchanging world before us; whether it be higher education, service, or labor.

Although both of us had to conquer many serious difficulties, we feel that you have surpassed these obstacles with the greatest initiative.

Many of the extracurricular activities which have been made available to us would not have been possible had it not been for the unselfish submission of time and energy that you, the administration, have given to us in these past four years.

It may not seem like much to compensate for all the things we have learned from you, but it is the only way we can express our gratitude in words. Long speeches would not say any more than we will be able to say in one phrase--thank you. Thank you for a job well done.

H H HUMMEL

Administration

My congratulations to each member of an outstanding Senior Class of the Middletown Area High School.

A High School Education is the foundation on which you build your life's career. I sincerely hope that each one of you have built a strong foundation and that you will continue your education in higher Institutions of Learning so that you will be well qualified for the career that you have selected or will select.

May the Lord bless each one of you with a long and happy life.

George W. Feaser

To The Class Of 1962

On behalf of the High School Faculty, I extend my sincerest congratulations to you--the Class of 1962. We hope that you are solidly prepared to enter the field of your choice, be it continued education or employment.

We are particularly proud of the way you overcame the hardships of our crowded situation. You have set fine examples in scholarship and citizenship while members of our student body.

Best wishes to a most cooperative group of students.

Graduating from high school marks the beginning of your entering into a new world of responsibility. As young adults you are needed and are most welcome. Our world is faced with many problems. Your fortitude, gained through high school training and experience, has given you the self-confidence and assurance to have faith in tomorrow.

With this thought, I add my sincere congratulations and very best wishes to the graduating class of 1962.

Seniors

This year has been a challenge to us, the senior class of 1962. A challenge not only to increase our knowledge, but to improve our sense of responsibility, honesty, and morality. In our years at Middletown Area High School we have obtained a fundamental basis which will carry into our future to help us to achieve our individual goals.

As seniors, the transition from junior high to senior high has been an important stepping stone in our lives. The adjustment to this change was made easier through the united efforts of our entire class. Graduating from high school, we have reached a plateau of great importance. We have been faced with many decisions through out our high school years, all of which should have been in preparation for the one confronting us now. Some of us have definitely decided our careers, while others are continuing their education. Having met the challenge, we are determined to continue toward our goal.

Underclassmen

As graduates we wish to extend our appreciation and gratitude to those underclassmen who have helped make our senior year a success. Necessary to any graduating class are those functions performed by those who follow. Whether these functions are academic, social or athletic, their absence would lead to a year of uneventful experiences. Although conditions have not led to the optimum in creating solidarity between classes we have, to a great extent, overcome these difficulties. As graduates we encourage you to promote intraclass activities, and in doing this achieve greater understanding.

As upperclassmen, we would like to challenge you, without being repetitious or "teacher-oriented," to achieve all that is within your capability. If at times the task seems arduous and without meaning, you will soon come to realize this phase of education is just one of many and those that follow may be far more difficult and far less rewarding.

Activities

Although scholarship is the principal aim of our school years, we must realize that our activities are of equal importance. The advantages gained in our relationship with others are not to be ignored. Every association we have with someone else benefits us. High school is certainly an excellent place in which we can widen our interests and expand these associations with others. Participation in extracurricular activities teaches important qualities which are needed to obtain a well-rounded personality. Being with people develops confidence, tact, and a sincere interest in others. Loyalty is another essential trait of our character which cannot be taught--it can only be molded by taking an active part in different organizations. Activities also provide those of us with similar interests a chance for expression of ourselves. The gain of these shared experiences is the capacity to live richer and fuller lives with a better understanding of our fellow men.

Athletics

The past year was a great year for sports. A young man by the name of Roger Maris kept the nation excitedly attentive as he pursued the immortal Babe Ruth's home run record. We have seen through the television media of communication all types of sports: baseball, football, golf, and tennis. We saw the National track meets testing the previous year's Olympic Champion's skill and will to win. Television brought to us firsthand all of the major sports events of the year. It showed the tremendous individual effort necessary in some sports and the vivid team spirit in others. Many times we forget that victory is not the only important phase of athletic contests. We must remember that even though we may fail to win the contest we still can, and should, learn much that will help us to face life's future failures and setbacks and also to accept the victories with humility. Perhaps this lesson that we learn from the athletic program will help us when we go out into the world to be a factor in preserving the peace in our civilization.

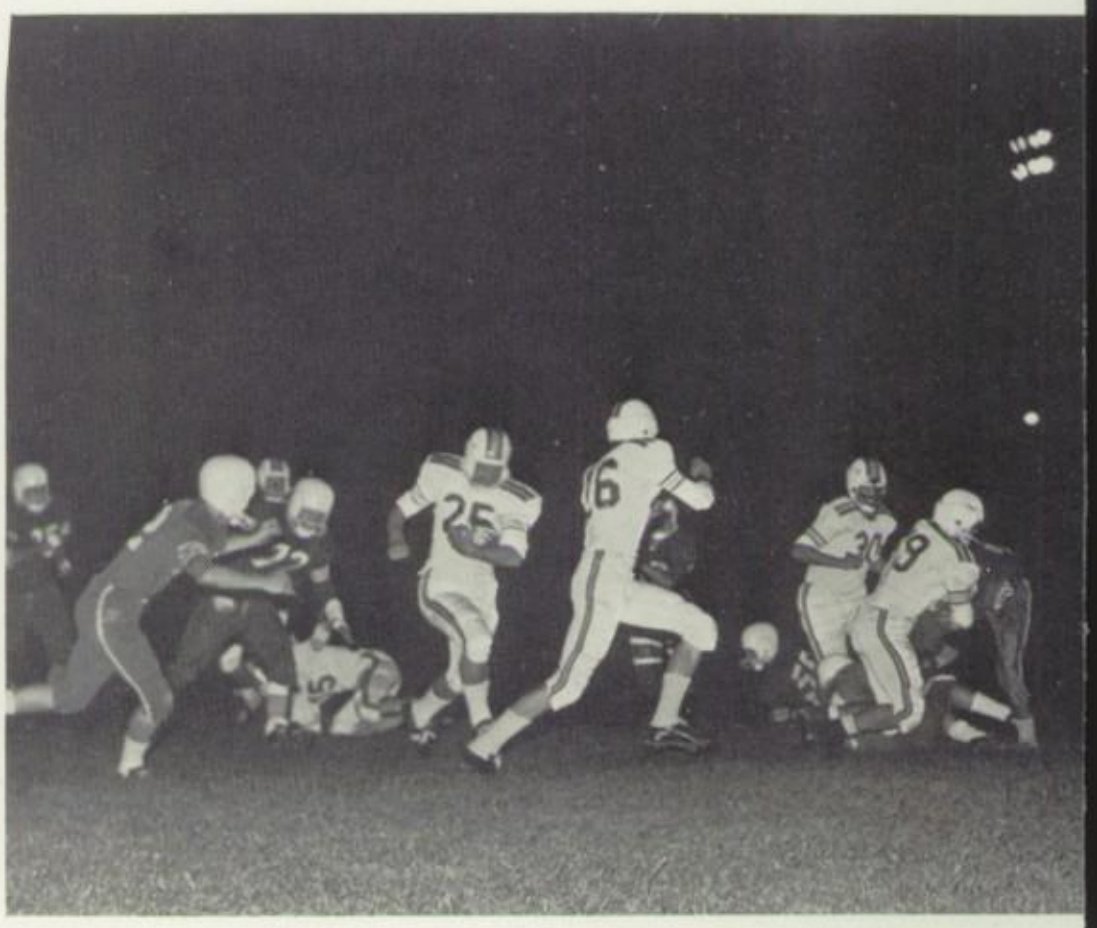
York Catholic 6

The Raiders open the season with an overwhelming victory against the Fighting Irish of York. After York Catholic punted, Romberger connected with Harvey Colston for the first score of the game on a 30--yd. pass play. Ron Kinsey was Romberger's next target. Boz hauled in the aerial after Terry Tait recovered an Irish fumble on the 34. Middletown recovered an on-sides kick, and three plays later Romberger hit Kleinfelter for the score. Kleinfelter again hit pay dirt taking off on a 43 yd. scamper. Hitchcock went over from the 2 for the only Irish TD. A York fumble gave the Raiders its final tally in the fourth quarter. Joe Roman recovered on the York 29. Larry Weirich hit the line for 3 yds. for the score six plays later.

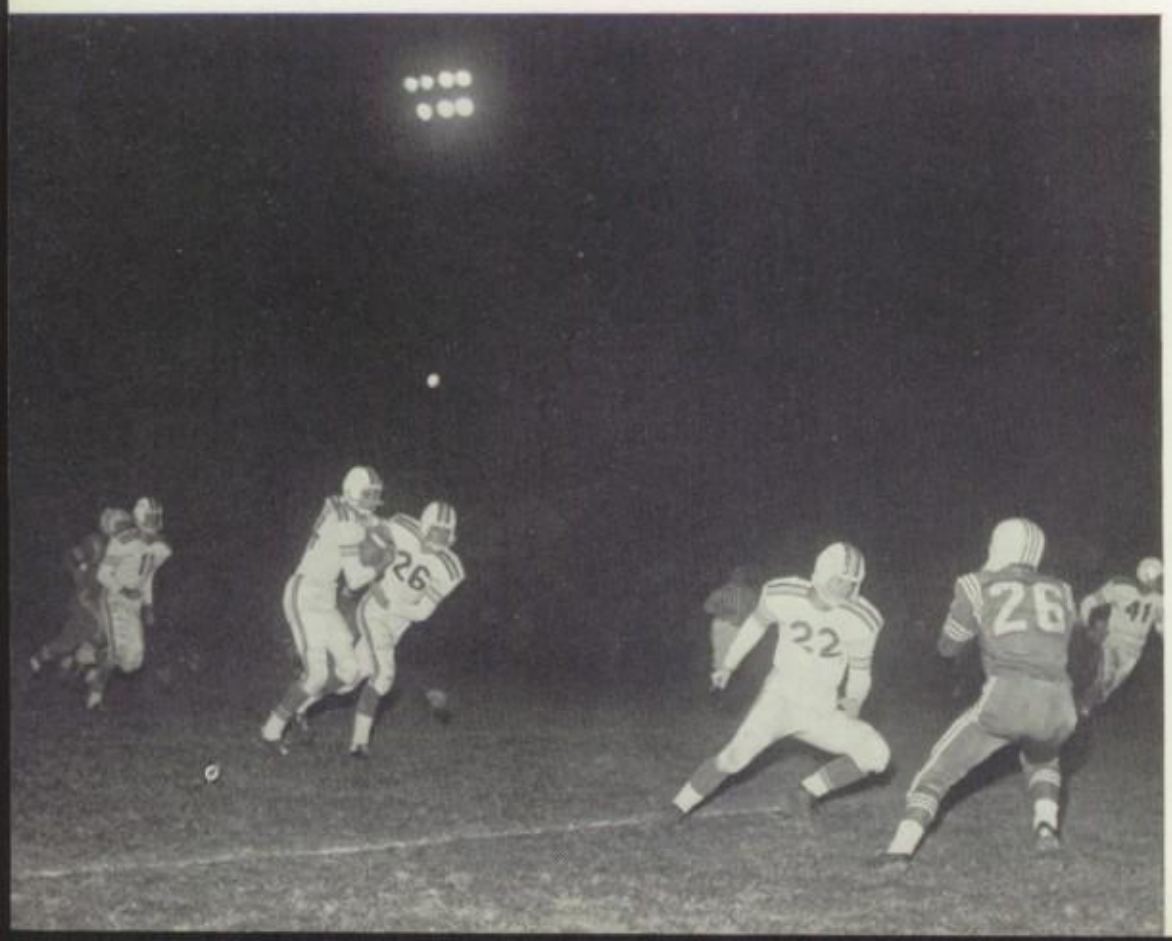
Middletown 32

Cumberland Valley 7

The Raiders continue to play almost perfect football winning their conference opener 32-7. Ray Reider's Raiders moved off the line very fast and scored the first time they had the ball. Kleinfelter capped an 80--yard drive with a 14--yard run for the TD. Middletown hit the payoff stripe again as Romberger hit Boz Kinsey with a pass covering 38 yards. Again Romberger passed to Kinsey making it 20--0. Harvey Colston gathered in another Romberger aerial on the 15 and went in for the score. Jim tossed his final TD shot of the evening in the 3rd quarter. Kinsey latched onto the flying pigskin on the four and rambled into the end zone. Terry Kimberling hit Howdy Brown for the Eagles only score late in the final period.



Football 1961



Middletown 13

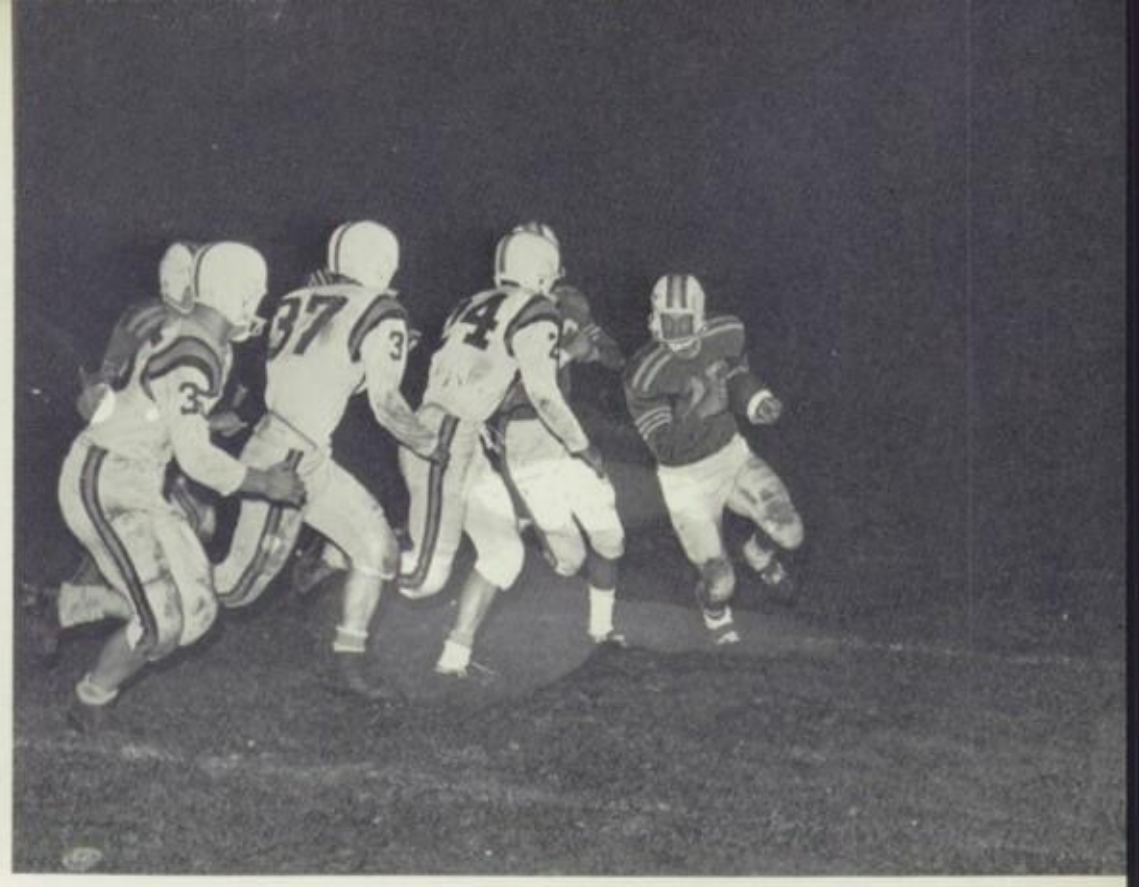
Carlisle 13

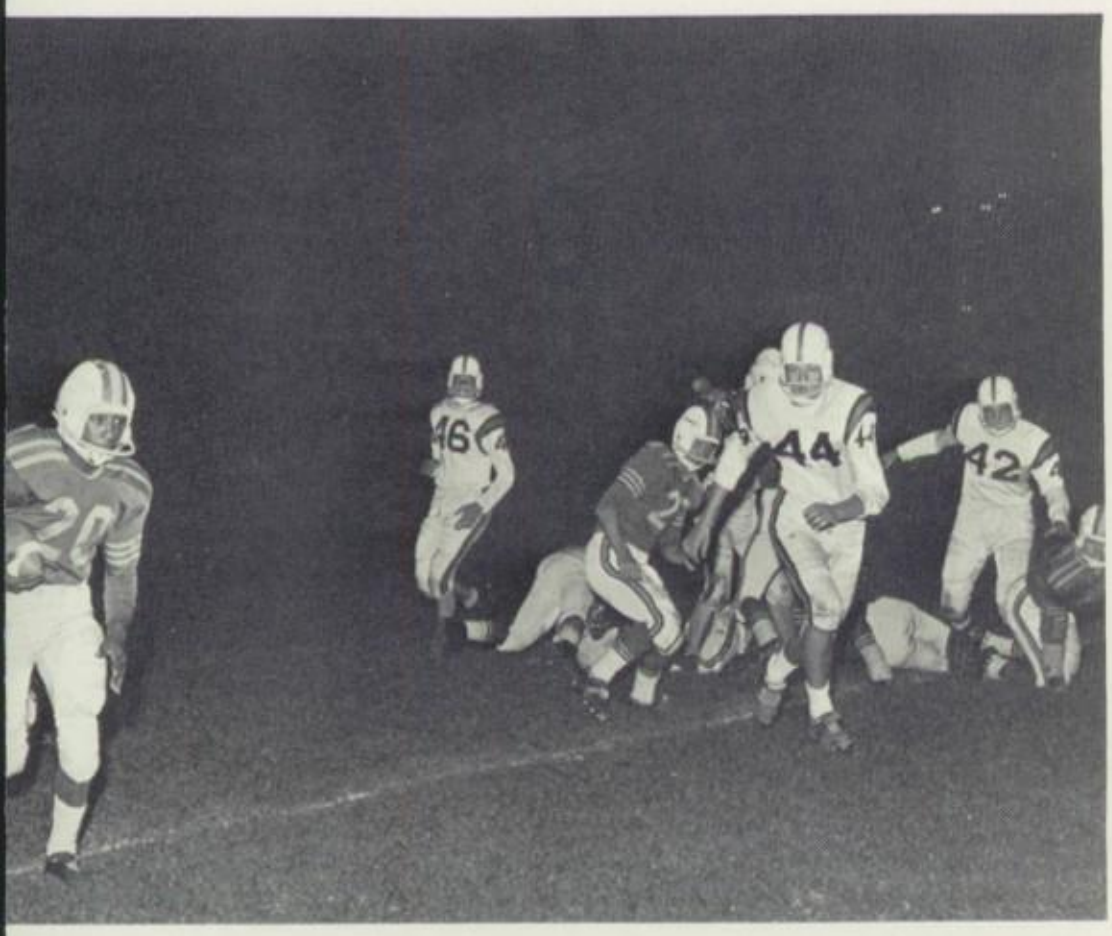
The Raiders mar Carlisle's streak of 13 straight wins by playing to a 13--13 tie. Romberger hit Kinsey with both of his TD passes running the Raider end's total TD passes to six. The tying extra point aerial went to Tony Colston. After the Romberger--Kinsey combination hit for a ten--yard touchdown pass in the second quarter, Carlisle tied it up with Debolt climaxing the 85--yard drive. Nye got the other Carlisle TD in the final Quarter and then plunged over for the extra point. Carlisle's Abbie Owens fumbled and Ed Krall recovered for Middletown on the Herd 45 late in the game. The Romberger--Kinsey combination struck like lightning for a 45--yd. TD with the Romberger to Colston pass tying it up.

Middletown 13

Mechanicsburg 12

Middletown continues winning on home ground in a thriller with the Wildcats of Mechanicsburg. The Raiders first scored in the second period. Clouser blasted for 49 yds. to the Cats' 5 as the 1st period ended. On the 1st play of the 2nd quarter, Clouser hit center for the T.D. Mechanicsburg scored near the close of the first half with Sauve going over from the two. The Cats went out in front in the 3rd quarter moving 57 yds. in ten plays with Skillen scoring from the 16. The Raiders then made a blocked punt by John Cochran pay dividends, as Clouser recovered on the Cats' 31. After a 16 yd. gain by Kinsey, Romberger dropped back and hit Boz in the end-zone to tie it up. Clouser cracked over the middle for the extra point and the ballgame at 13-12.





Middletown 6

Hershey 0

It was a strong night for the Raider defensive squad, as they held the Trojans scoreless. Cochran, Booser, Polomski, Forney, Kinsey, Bauder, Vallati, Tait, Wile, and Snook played outstandingly on defense. The lone score of the game materialized in the early minutes of the second quarter. After two exchanges of punts, the Raiders got moving from the Hershey 25. After a series of running plays, Romberger hit Cochran for a first down on the 29. On the next play Clouser drove through the center to the 20. As he was hit, he lateralled to Bob Kinsey who went all the way for the touchdown. The Raiders had their lead, 6-0. Tony Colston saved the day, however, as he intercepted a Trojan aerial on the 5 late in the final period to stop a Hershey drive.

Middletown 26

Susquehanna 0

Middletown got back on the scoring trail as they upended the winless Susquehanna Indians 26-0. Susquehanna fumbled on its own two to start the game. Middletown recovered and Romberger crashed over on the next play for the score. Boz Kinsey intercepted an Indian pass in the 2nd quarter leading to the second talley. Again, Romberger went over on a keeper and Matincheck booted the placement. Tony Colston, after intercepting another Indian pass, scored on a 6 yd. pitchout from Romberger. The Raiders managed to score only one T.D. in the 2nd half as Boz Kinsey took an Indian punt on the 45, and rambled down the sidelines and into the endzone behind a solid wall of blockers.

Middletown 6 — Palmyra 6

In the biggest clash of the season of the CAC, the two teams proved to be champions playing to a 6-6 tie. After a scoreless first half on a wet turf, Ken Bowman's team went ahead in the 3rd period. Daubert went to his right side and into the end zone for the TD. Gary Long, successful on 18 tries for placements, failed on his 19th attempt.

The Raiders got down to business shortly after the 4th quarter began. The Raiders began their drive from the 43. After two running plays, Clouser took a direct pass from center and hit Kinsey on the 21. Clouser again tried to pass, but seeing no receivers, romped to the Palms one. He capped the drive on the next play and plunged over for the TD. The extra point pass from Romberger to Bob Kinsey failed, and the score remained 6-6.

Middletown 6 Steel--High 45

"You can't win'em all," is the old saying; and the Raiders found that out as they met the powerful Steamrollers of Steel-High. Things were rough right from the start. Middletown unveiled a "shotgun" offense, with Dave Clouser taking the snap from center. On the 2nd down Clouser was hit as he passed the ball, and the pigskin lofted into the arms of Jim Watson, going 15 yds. for the T.D. From then on the Raiders proved not enough to stop the rolling Steamrollers, who went on to score 6 more touchdowns.

Barry Howell intercepted a Dungle pass at midfield late in the 2nd quarter. The Raiders went to the air with Romberger hitting Kinsey at the 25. Romberger then flipped a short pass to Sid Snook on a tackle-elegible play. Snook lateralled to Clouser at the 15, who went in for the score.

Middletown 6 — Central Dauphin 32

After the rough encounter with Steel-High, the Raiders still put up a valiant fight with seven of its starters sidelined with injuries. The score (32-6) doesn't picture the type of game it really was. The Rams pushed three scores across in the second period within five minutes. The rest of the game was played on even terms.

Quarterback Meade Johnson scored once on a six--yard sweep and threw a pair of TD strikes to put the Rams safely ahead. The Raiders got on the scoreboard with Dave Clouser finding Larry Weirich with a 7--yard TD aerial. Clouser and Barry Howell played well and spear--headed the six--play, 73--yd. march.

Middletown 20 — Lower Dauphin 6

The Raiders become co-champ of the CAC as they win over the Falcons of Lower Dauphin 20--6! The Raiders couldn't seem to get going in the first half as the Falcons got their only Touchdown with Randy Kahler going over for the score. Barry Howell led the Raiders all the way in the second half with his fine running and pass receiving. Bill Klinefelter capped a 50--yd. march by hitting left end to tie the score. Clouser, Colston, and Klinefelter then got into action and put the ball on the Falcon 36. After keeping for one play, Romberger hit Howell for a TD making it 13-6. In the fourth quarter the Raiders took over on the Falcon 43. Clouser hit center and went to the 40. When hit, he lateralled to Barry Howell who went all the way for Middletown's final touchdown of the 1961 season and the championship!

1961-62 Season

Russ Trimmer is developing a pleasant habit: turning out championship basketball teams. The Trimmer-men closed out the regular season with a 20-2 record with a clean slate in conference play, capturing honors for the second straight year as Capital Area Champions.

After opening the season with three straight wins, the Raiders dropped two in a row to the Central Dauphin Rams and the Indians of Carlisle. They went on to crush seventeen straight opponents including victories over Cornwall and West York in the Holiday Tournament.

A well-balanced scoring attack prevailed throughout the year. The starting five of Snavely, Howell, R. Kinsey, B. Kinsey and Kirkman combined for the winning effect along with Colston, Booser, Saputo, Romberger and Williamson.

In the Class A Playoffs Middletown played perhaps their finest game of the year, only to lose a heartbreaker 56-53.

Features

The following
pages are a collection
of memories in many forms.
Months, years, or even decades
from now we can look through these
pages and see all the colorful experiences
of our high school days unfold vividly before us.
The humor expressed in our class will and baby pictures
will always amuse us, and we can expect a feeling of pride to
stir us every time we read through our class song. Here we can
see the history of our class from the beginning and as excited seniors
on graduation night. Scenes from the Junior-Senior Prom will add a touch
of romanticism to our remembrances. Armed with this treasure of memories
we can look ahead to a bright and promising future.

Festival—1961

L. to R.: Sue Klinger, Dorothy Davis, Ronald Hartman, Karen Fernback, James Reisser, Miss Helen Force (Directress), Gary Mertz, Tinnia Corrie, Sam Hoffman, Barbara Drayer, John Sellers, Christina Boyd.

The trophy in the above picture clutched lovingly by a beaming Miss Force now reposes in the trophy case in the background among the many football, basketball, baseball, track, and band trophies accumlated over the years by present and past Middletown students.

This is the first of what we hope will be many thespian honors of MAHS. It was awarded to the Junior play cast members in recognition of first place honors in the 1961 Drama Festival held at the Harrisburg Community Theater.

Middletown was invited to compete in the Drama Festival along with John Harris, William Penn, Susquehanna, and many other Harrisburg area high schools most of which have large and well organized theatrical groups.

This marble and gold trophy represents much time and effort on the part of the twelve people involved and we, the Graduating Class of 1962, wish to extend our appreciation to those people responsible for another "first" in the history of MAHS.

Class History

As we, the Class of '62, are about to leave this building and bid farewell to our teachers and classmates, let us pause for a moment to look back over the four years of senior high school.

Freshman

In our freshman year at Freaser School, we held our first actual class meetings. We elected John Booser, president; Patricia Angeloff, vice president; Sue Klinger, treasurer; and Sally Kauffman, secretary. Our advisors were Mr. Carl Sinner and Mr. James Patterson. To start our treasury on its way, we sold magazines and fruit cakes. During this year we had a class party and each homeroom presented talent acts.

Sophomore

For our sophomore year we moved to the high school. We elected John Booser, president; Frank Snavely, vice president; Mary Belle Bixler, treasurer; and Donna Haupt, secretary. Mr. Ray Reider and Mrs. Isabel Bixler were our new advisors. To boost our treasury, we sold magazines. Our humorous one-act play, "Hillbilly Highjinks," directed by Mrs. Isabel Bixler, was a huge success. During this year we selected our class rings.

Junior

Half-day sessions started with our busy junior year. We elected Glenn Hahn, president; James Saputo, vice president; Patricia Angeloff, treasurer; Sue Klinger, secretary; and Tinnia Corrie, historian. Mrs. Margaret Bectel took the place of Mrs. Bixler as our advisor. We chose as our class flower, the white orchid; our colors, orchid and white; and our motto, "Learners today; Leaders tomorrow." Our very successful one-act play, "Father Says No," directed by Miss Helen Force, won a trophy for Best Production at the Harrisburg Community Theater. The sale of magazines and Easter eggs, plus refreshments sold at football games gave a substantial boost to our funds. On April 28, we realized the result of our hard work when it seemed as though a part of the south had been moved into our gymnasium as we honored the seniors and Bonnie Sabathine, our queen, with our Jr.-Sr. Prom- "Southern Cotillion."

Senior

Finally our senior year arrived and we again went to school from 7:10 to 12:01. We elected Glenn Hahn, president; Thomas Sharbaugh, vice president; Donna Haupt, secretary; Michele Hummel, treasurer; and May Belle Bixler, historian. An evening of suspense was provided by our talented actors and actresses as they presented our senior play, "Terror in the Suburbs," under the direction of Mrs. Robert Graham. All too quickly the Jr.-Sr. Prom, the class trip, and class day were only memories. Next comes graduation, the most important day of these four years. Fate may lead us far away from our alma mater and classmates; but may we never forget those care-free days, the happiest of our lives, and may we always remember our teachers, who have labored to make us the respected and loyal citizens of tomorrow.

Faculty Will

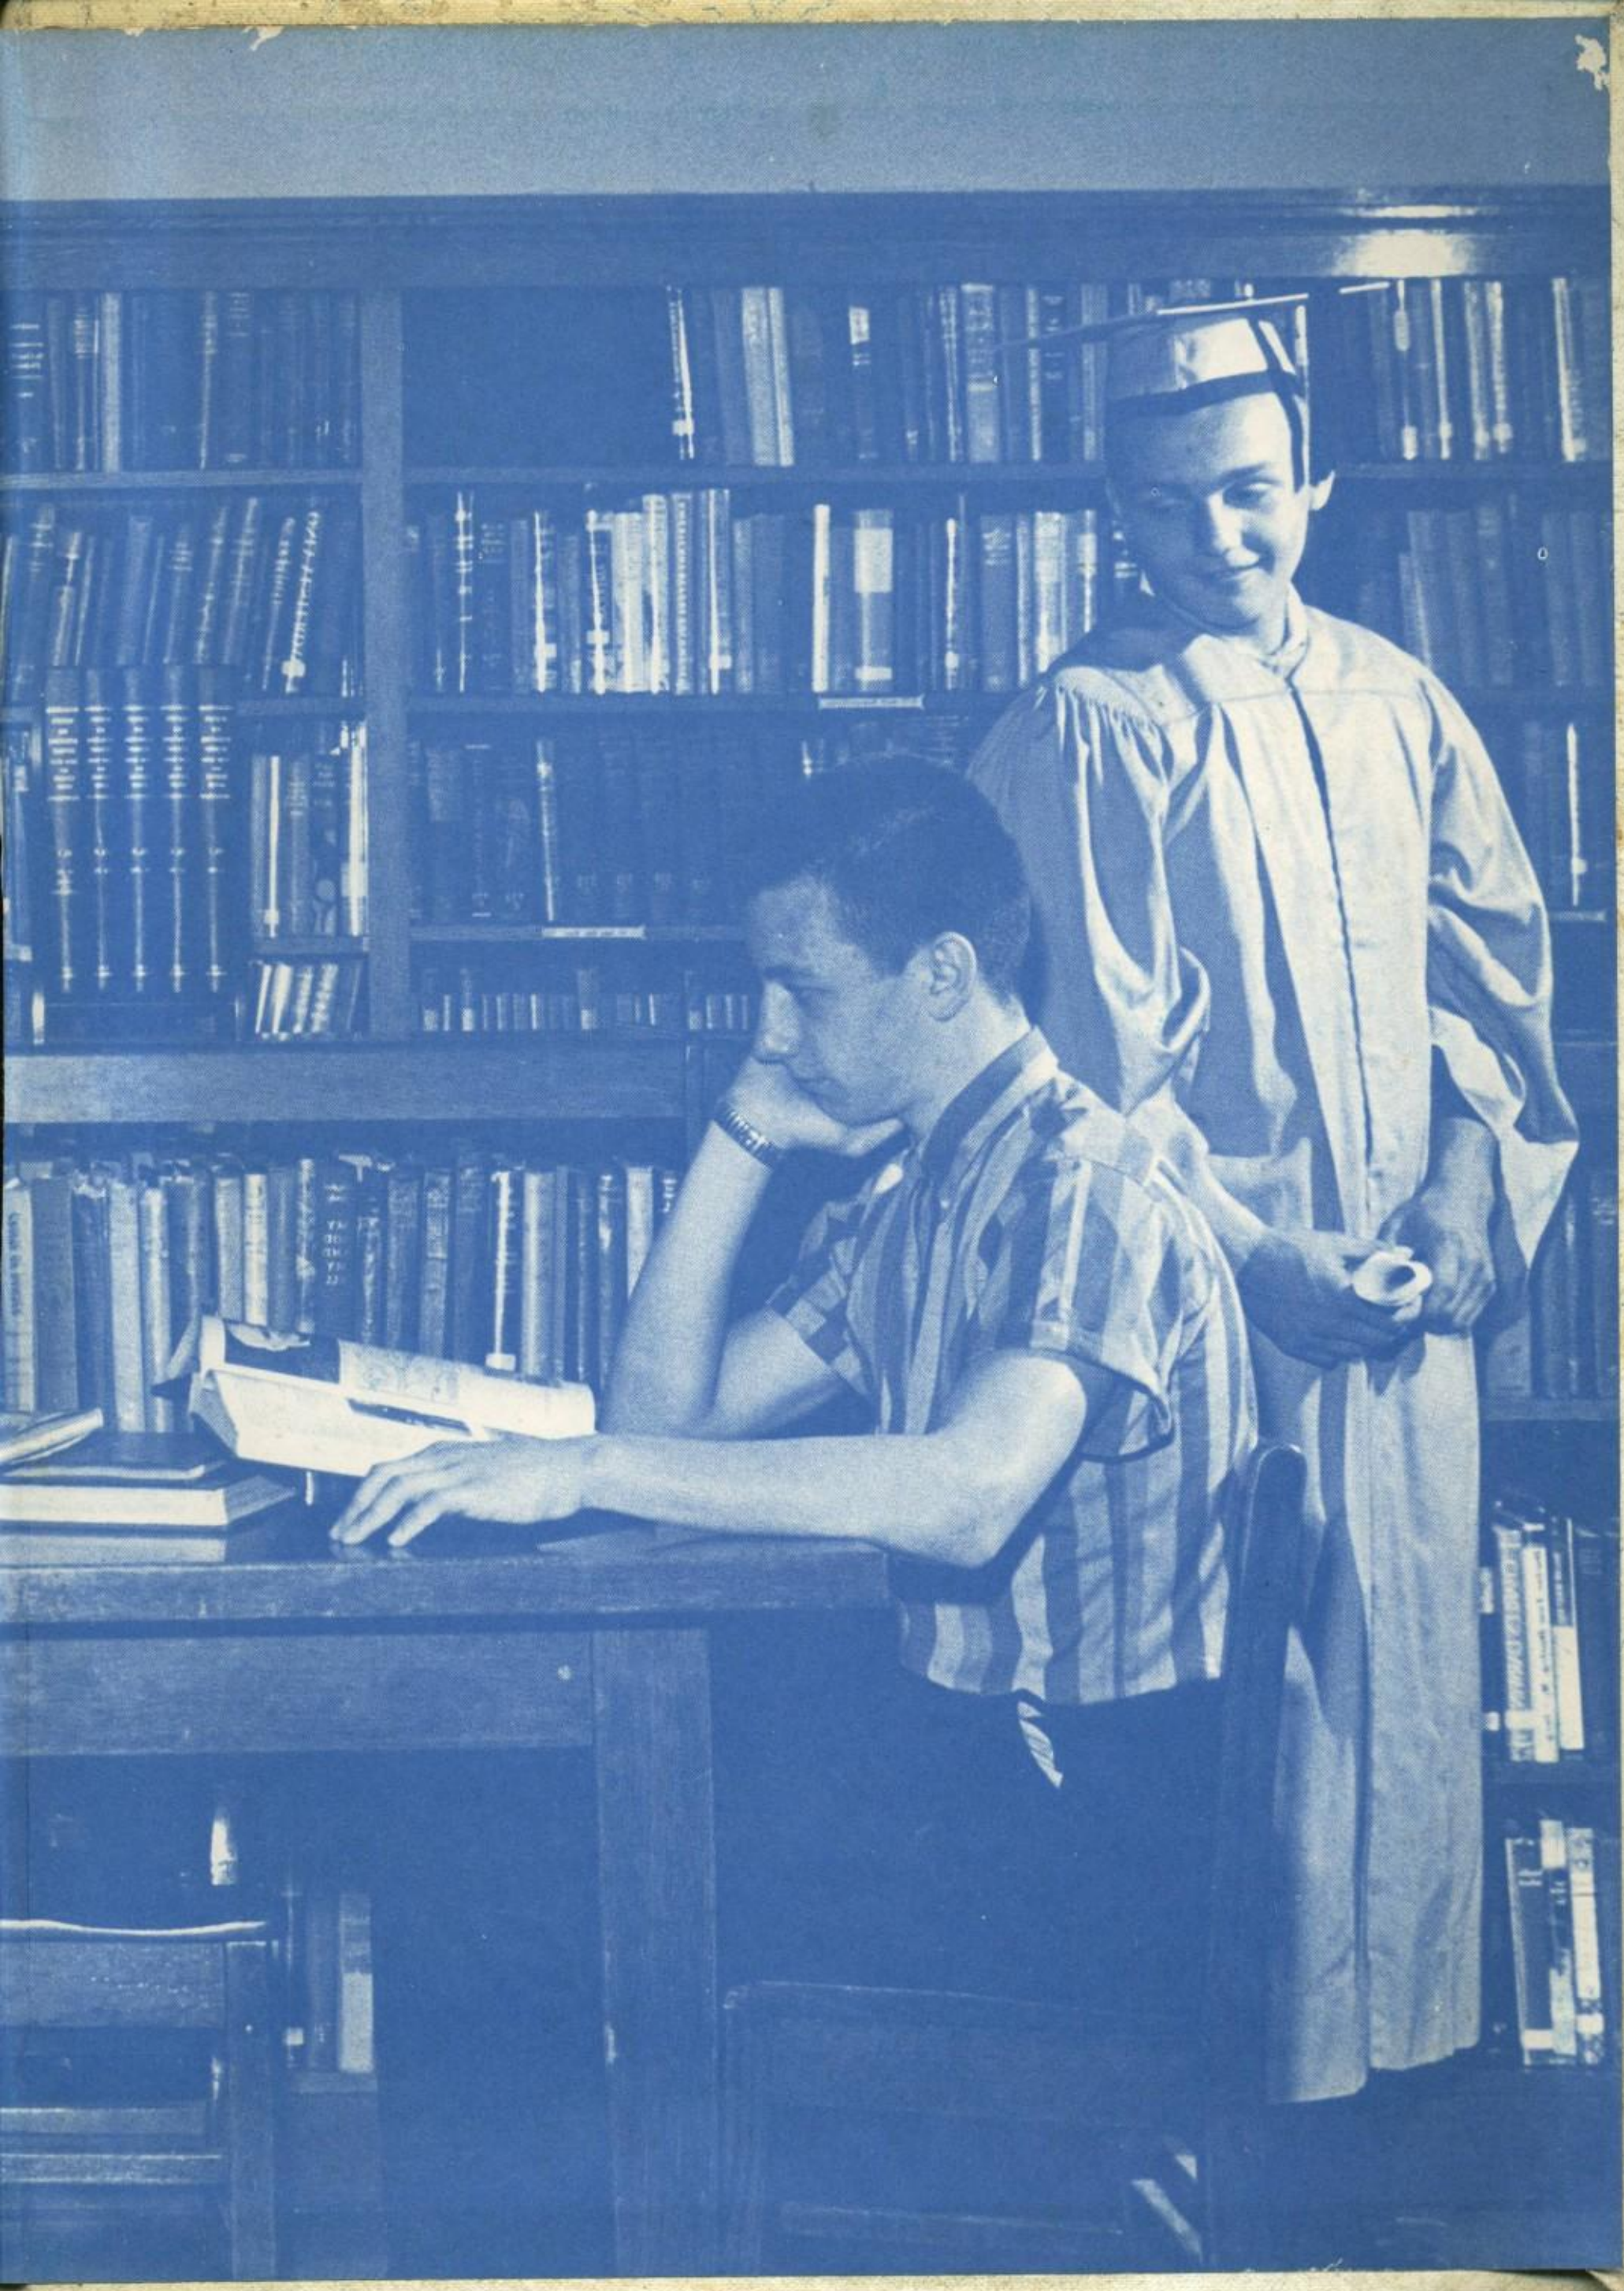
CLASS SONG

By John C. Booser

Some leave with sorrow, some leave with joy. All give their
Futures in hand we take our leave; We now must
thanks to those who've taught. Teachers who've given us gifts for
go but something stays. M. A. H. S., our praise, our
life, enduring gifts that can't be bought.
songs, to thee will rise through all our days.

Alma Mater

Hail to thee our Alma Mater
Sons and daughters true.
We will take our stand and pledge
Our hands to dare and do.
In the years that quickly gather,
We shall hear and see thy fame;
We will honor, love and cherish
Middletown's fair name.


Hail to thee, our Alma Mater
Praises fill the sky.
Golden memories are returning;
Thoughts that never die.
Songs of gladness, hope inspiring,
Do within these walls resound;
So for thee we'll swell the chorus;
Hail to Middletown!
